## **Inquiry InVision Reports**

**New Turnaround Summary Report**

**Release Notes**

## What's new?

DeliverHealth is pleased to announce that InCommand's **Turnaround Summary** report is now available in InQuery > InVision. This report shows a statistical summary of turnaround by document type for a given client and date range.

### Report Parameters

- Users can choose to report on 'All' or specific locations and document types for the report.
- Check 'Hide Detail' to see just a summary of the data, without location and document type shown.
- Enter a Start and End Date.
