## eSOne Printing Agent 1.7.5 Release Notes

## What's new?

DeliverHealth is pleased to announce the following updates to the Printing Agent in version 1.7.5.

### Margin Settings

Changes were made to document margin settings and defaults:

- Default print template margins will be applied to the entire document when “First Page Custom Margins” values are set to 0 in the Printing Agent settings.
- Margin settings will be retained between subsequent previews and prints, unless the “Paper Margins” setting is checked in Advanced Options > Ignore Document Supplied Options.
- Default print template margins will be applied when “Reset Everything To Defaults” is clicked in Advanced Options.

### Application Requirements

- Operating system: Windows 10 or Higher (64-bit architecture)
- Web Browser: Chrome, Edge, Firefox
- RAM: 1 GB or higher
- Hard Drive Free Space: 1 GB or higher
